### THE COACHES:

**San Jose – Darren Arbet, 8<sup>th</sup> season**  
**76-37 (.673) reg. season; 85-41 (.675) overall**  
**12-7 (.632) career vs. Arizona**  
**1-0 (1.000) career vs. Gene Nudo**

Now in his eighth season at the helm of the SaberCats, two-time Coach of the Year Darren Arbet currently ranks 6<sup>th</sup> in the AFL with 85 career victories and needs just one more win to tie Perry Moss for 5<sup>th</sup> place. Last season Arbet led the SaberCats to their 6<sup>th</sup> consecutive winning season and playoff appearance. Since the start of the 2000 season his teams have compiled a 70-29 (.707) regular season record and have set league records for most regular season wins (13 – 2002), most wins in a season (16- 2002), most consecutive wins in a regular season (12 – 2002), most wins to end a season (11 – 2000) and the longest regular season win streak (15 – 2000-01). Last season Arbet became the second fastest head coach to reach 80 career wins, doing it in 111 games. Only Tampa Bay's Tim Marcum, who reached the 80-win mark in 96 games, got to that milestone quicker.

**Arizona – Gene Nudo, 1<sup>st</sup> season**  
**5-4 (.556) reg. season and overall**  
**0-1 (.000) career vs. San Jose**  
**0-1 (.000) career vs. Darren Arbet**

The third head coach in franchise history and third in as many seasons, Gene Nudo is now in his 12<sup>th</sup> season associated with the Rattlers organization and first as the team's Head Coach. Nudo joined Arizona's coaching staff in 1995 taking the role of assistant head coach before becoming a member of the team's front office in 1996. In his 12 seasons at the team level, Nudo's franchises have competed in five ArenaBowls, winning one with Arizona in 1997. A true pioneer in the AFL, Nudo coached the first-ever Arena Football game in Rockford, Illinois in 1986.

**RECENT RESULTS:** Nashville 51, SABERCATS 48 • Saturday, March 25, 2006 • Gaylord Entertainment Center – Quarterback Leon Murray tossed three scoring passes and Nashville's defense turned three San Jose turnovers into 21 points leading the Kats (6-3) to a 51-48 win over the San

Jose SaberCats (3-6). Veteran Cory Fleming scored three times for Nashville and totaled 85 receiving yards to become the fourth player in league history to reach 10,000 in his career. San Jose took its only lead of the game early in the second quarter when Mark Grieb connected with Ben Nelson on an 8-yard scoring play for a 13-7 lead. Nelson led all receivers with 9 catches for 138 yards and three touchdowns. Trailing 21-19 at halftime, San Jose's first offensive possession ended in a safety for the Kats when Joe Minucci sacked Grieb in the endzone. T.T. Toliver threw a 3-yard scoring pass to Fleming on the ensuing possession giving Nashville a 30-19 lead. Following a Brian Johnson 1-yard scoring run, the Kats scored on a 21-yard Murray to Toliver hook up and a Dan Alexander 4-yard run to take its largest lead of the game at 44-26 with 8:25 left. Grieb, who completed 26-of-39 passes for 298 yards and four scores, connected with James Roe from 25-yards and following a Nashville fumble that went out of the endzone for a touchback, Johnson scored his third rush touchdown of the game closing the gap to 44-41 with just over two minutes remaining. Following Fleming's 12-yard kickoff return for a score, Grieb hit Nelson on an 8-yard strike for the final points of the game. San Jose's last onside kick attempt failed and the Kats ran out the clock to keep San Jose winless in four games at the Gaylord Entertainment Center.

**TRENDS:**

**HOME COOKIN** – The SaberCats are hoping the friendly confines of HP Pavilion are just that over the final two months of the season. Sunday's game is just the fourth home contest of the season for San Jose and despite winning once in the previous three, the SaberCats still own an impressive home field record under head coach Darren Arbet. Since Arbet took over as head coach in 1999, San

Jose is 44-11 (.800) in regular season games and 52-13 (.800) in all games played in HP Pavilion. In their 12-year history the SaberCats have posted a 58-24 (.707) record in regular season home games.

**SWEEP** – With a win on Sunday, the SaberCats will post their third-ever regular season sweep of their division rival Rattlers. San Jose won both regular season games from Arizona in 2001 and 2003 and claimed the Western Division crown both times. San Jose has 13 regular season sweeps of division opponents in its history. The SaberCats were 58-50 victors in the first meeting on Feb. 12 in Arizona.

**BACK TO EVEN** – The SaberCats and Rattlers will meet for the 28<sup>th</sup> time on Sunday, extending the second longest running rivalry in AFL history. Only the Orlando/Tampa Bay ‘War on 1-4’ series has more games with 38. A San Jose win would also even the series at 14-14, marking just the 3<sup>rd</sup> time the series has been tied. The two were even at 0-0 and knotted at 10-10.

**BACK TO BACK** – With their loss at Nashville on Mar. 25, the SaberCats have yet to post consecutive wins this season and, dating back to last year, have gone a span of 13 regular season games without back-to-back victories. Over those 13 games the SaberCats have gone just 4-9.

**TURN IT AROUND** – The Rattlers have done a complete 180 degree turn since the last time the team’s met. When San Jose defeated Arizona, 58-50, on Feb. 12, the loss gave the Rattlers their first 0-3 start in franchise history. Since then Arizona has gone 5-1, including wins in their last four games, and lead the Western Division by one game over Las Vegas and two games over San Jose, Utah and Los Angeles.

**PENALTY PARADE** – The SaberCats were penalized a season-high tying 11 times in their loss at Nashville on Mar. 25, the 4<sup>th</sup> game this season the club has been flagged 10 or more times. San Jose is 4<sup>th</sup> in the AFL with 75 penalties behind only Grand Rapids (84), Philadelphia (78) and Kansas City (76).

**GETTING OFFENSIVE** – The SaberCats amassed 316 yards of total offense in their game at Nashville on Mar. 25 and have totaled 300 or more yards in four straight games and in seven of the nine this season. The team record for most 300-plus yard games in a season is nine, set in 2001 and matched in 2005. San Jose set a team record with six straight games of 300 or more yards of total offense during the 2001 campaign. The SaberCats rank 4<sup>th</sup> in the AFL with 309.0 yards of offense per game.

**TURN THE PAGE** – Come Sunday the calendar will say April and the SaberCats will say goodbye to the first two-plus months of the season which saw them go just 3-6. Over their history, the SaberCats have played well in the spring posting a 15-9 (.625) all-time record in games played during the month of April.

**THREE UNDER** – San Jose’s loss at Nashville on Mar. 25 dropped the team 3-games under .500 (3-6) for the third time this season and the fifth time in franchise history. The team sported a 1-4 and 2-5 record earlier this season while going 5-8 at one point during the 1996 season and 0-3 to

start the 1998 campaign. The team has never been four games under .500 in its history.

**NOTES:**

**ONE MORE** – SaberCats’ head coach Darren Arbet is one victory away from tying former Chicago Bruisers, Detroit Drive and Orlando Predators head coach Perry Moss for 5<sup>th</sup> place on the AFL’s career wins list. Arbet won his 85<sup>th</sup> game on Mar. 17 when his SaberCats posted a 56-55 overtime win over the Georgia Force. Arbet has posted 12 career wins against Arizona, the most of any team in the AFL, including the 2002 and 2004 ArenaBowl victories. San Jose won the first meeting between the clubs this season, 58-50, on Feb. 12 in Arizona.

**THE WACKY WEST** – It was expected to be a competitive division, and it has been all season long. Riding a 4-game winning streak, the Rattlers have catapulted from the bottom of the standings to the top and hold a 1-game lead over Las Vegas and a 2-game bulge over the rest of the division. Sunday’s game is critical to San Jose, with a win the SaberCats climb back to within a game of the lead and claim the head-to-head tie breaker with the Rattlers. Las Vegas hosts Los Angeles on Sunday while Utah travels outside the division and conference to play at Tampa Bay on April 1. If San Jose, Los Angeles and Utah all win four teams would be 1-game behind Arizona (5-5) in the standings with a 4-6 record. Games within the division take on more importance this year with head-to-head competition factoring as the main tie-breaker. Since the AFL went to a four-division format in 1995, no team with a sub-.500 record has won a division title and just two teams, Orlando (2002) and New York (2003), have won division titles with a .500 mark.

**SPREADING THE WEALTH** – WR/DB Barry Wagner totaled 6 catches in San Jose’s game at Nashville on Mar. 25, giving him 12 on the year and making him the 8<sup>th</sup> player on the 2006 roster to accumulate 10 or more receptions. Wagner joins James Roe (51), Ben Nelson (40), Charles Pauley (36), Calvin Schexnayder (30), Fred Coleman (18), Marquis Floyd (16) and Kevin McKenzie (12) as players to reach the double-digit reception mark. The eight players are the most in team history to reach the 10-plus catch mark in a season. The previous high was seven, set during the 1995, 1997, 1998, 2004 and 2005 seasons. San Jose has used so many receivers in part due to injuries. Charles Pauley is the only one of the eight to play in every game this season.

**SACK MAN** – Rookie lineman Van Brown, who was signed to the team's active roster on Mar. 10 and made his AFL debut against Georgia on Mar. 17, became the 2<sup>nd</sup> player in San Jose history to record at least one full sack in each of his first two games. Brown leveled Nashville QB Leon Murray for a 5-yard loss in the third quarter and posted 4.0 total tackles at Nashville on Mar. 25 in his 2<sup>nd</sup> career game. Brown joins Cedric Pittman, who totaled 2.5 sacks in his first two games, as the only players in team history to record sacks in their first two career games. Against Georgia on Mar. 17, Brown became the 6<sup>th</sup> player and 3<sup>rd</sup> rookie in team history to register a sack in his first game as a SaberCat.

**THE FIRST TIME** – QB Mark Grieb had his first career start as a member of the SaberCats against the Rattlers on May 15, 1999 and directed the team to a 54-50 win. In that game Grieb tossed a pair of scoring passes, including the game-winner to Shalon Baker with 18 seconds left in the game to give San Jose just its second win over their rivals. During his San Jose career, Grieb has started 16 games against Arizona and owns a 10-6 record. He has thrown for 4,072 yards and 80 touchdowns with just four INTs completing 437-of-546 passes. Grieb set a team single-game record with 9 TD passes at Arizona on July 6, 2001 and twice threw for a club playoff record 8 TD passes against the Rattlers.

**HEAD TO HEAD** – In their careers with their respective teams, QBs Mark Grieb and Sherdrick Bonner, two of the most prolific passers in the game, have started against each other a total of 14 times with strikingly similar results. Grieb has the edge in most every category, including wins. One of Grieb's biggest wins came in ArenaBowl XVIII when he tossed a title game record 8 TD passes. Bonner had a decent outing also throwing for an ArenaBowl record 367 yards in San Jose's 69-62 win. Bonner had the edge statistically in the first meeting between the teams throwing for 339 yards and 5 TDs. Grieb had 283 yards and 3 TDs and also came away with a victory. Both have three 300-yard passing games in their head-to-head meetings.

**FULL NELSON** – Rookie Ben Nelson continues to impress as the team's starting OS. In his fourth start Nelson hauled in 9 catches for 138 yards, his 3<sup>rd</sup> straight game with 100-plus receiving yards, and a career-best 3 TDs at Nashville on Mar. 25. During his four starting assignments, Nelson has totaled 40 catches for 542 yards and 8 TDs. If you average those numbers over a 16-game schedule, Nelson would have 160 catches, 2,168 yards and 32 TDs. Nelson's three straight 100-yard receiving games rank as the third longest streak in team history, behind only James Hundon's record 5-game stretch in 2003 and James Roe's 4-game streak earlier this year. Nelson fell one catch shy of establishing a team record with three consecutive double-digit reception games. He matched the team record of two, set by Roe, who has done it four times, and Hundon.

**ALL ROUND EFFORT** – FB/LB Brian Johnson had the best outing of his AFL career in San Jose's loss at Nashville on Mar. 25. The converted lineman ran for a career-best 3 TDs, equaling a team record for the second-most in a game, and tied his career-high with 17 yards on 7 carries. Johnson was active on defense as well posting a career-best 6 solo tackles, including a TFL. With 25 carries for 41 yards and 5 TDs on the year, Johnson has eclipsed his 2004 season totals of 16-33-4. He spent the 2005 season in NFL Europe after being allocated to Berlin by the 49ers.

**CLIMB THE CHART** – Barry Wagner is already the AFL's career leader in receptions, receiving yards, touchdowns, rushing TDs and all-purpose yards, and is among the SaberCats career leaders in a number of categories. Wagner totaled 6 catches at Nashville on Mar. 25 to bring his career total to 974 and his San Jose total to 323, leaving him three behind Steve Papin for 2<sup>nd</sup> place on the team's all-time list. James Roe, San Jose's career leader in receptions and receiving yards, added to his totals with 5 catches for 53 yards. Wagner has played in 87 regular season games during his SaberCats career while Roe has participated in 76 games.

**INTERCEPTORS** – Between them Clevan Thomas and Barry Wagner have 77 interceptions in their careers. Each collected a pick at Nashville on Mar. 25. Thomas snared his 4<sup>th</sup> of the year and 29<sup>th</sup> career while Wagner nabbed his 1<sup>st</sup> of the season, 48<sup>th</sup> career and 19<sup>th</sup> as a SaberCat. It was also the first INT for Wagner since May 16, 2004 when he collected a pair at Las Vegas, a span of 15 games for him. Wagner is 2 INTs short of becoming the 3<sup>rd</sup> player in league history with 50 career picks and tying Durwood Roquemore for 2<sup>nd</sup> place all-time. Thomas, San Jose's career INTs leader, is tied for 9<sup>th</sup> in the AFL with his four and has three career picks against the Rattlers. Thomas has intercepted Arizona QB Sherdrick Bonner twice, including his first interception in his first career AFL game. Thomas snared a Bonner offering in his endzone late in the game to help preserve a 52-51 San Jose win on April 20, 2002.

**ARIZONA PLAYERS TO WATCH:**

QB **SHERDRICK BONNER** – One of the greatest quarterbacks in the history of the AFL, Sherdrick Bonner has started all but four of the 27 series games against San Jose and owns a 13-10 record in those starts. In his career against the SaberCats, Bonner has thrown for 5,354 yards and 107 touchdowns completing 424-of-704 passes. He has five 300-yard passing games against San Jose and has tossed six or more TD passes in a game 11 times. Bonner has been intercepted by San Jose just 13 times and has thrown more than one pick in a game just once, that coming on Aug. 4, 2001 in a playoff game loss. Now in his 14<sup>th</sup> AFL season, Bonner became the 4<sup>th</sup> QB in AFL history to throw for 700 TDs when he tossed seven in Arizona's 58-45 win over Los Angeles last week.

WR/DB **RANDY GATEWOOD** – The 2003 Ironman of the Year is one of the league's best two-way players and is Arizona's career TD receptions leader. Now in his 11<sup>th</sup> AFL season, Gatewood has played 22 career games against San Jose and has 29 TD grabs among his 77 receptions. Still a threat on the defensive side as well, Gatewood has 8 interceptions in his career against San Jose, including a pair in Arizona's 54-44 win on May 14, 2005. Gatewood has been a part of some epic battles between the SaberCats and Rattlers, including his highlight reel performance in Arizona's 66-49 win in the semifinals of the 2003 playoffs. For the game, Gatewood grabbed 5 TDs and amassed 227 yards on 12 catches and added an 11-yard interception return. In the first meeting this year he totaled 95 yards on 5 receptions with a TD.

OS **DARRELL JONES** – Entering his first season in the AFL, the top receiver and return man at Cal Poly San Luis Obispo has been a pleasant surprise for the Rattlers. Jones has amassed 502 all-purpose yards, 3<sup>rd</sup> best on the team, despite playing in only five games. The diminutive Jones burst on the scene Mar. 10 in Arizona's 60-57 win over Orlando. He had kickoff return TDs of 54 and 56 yards and totaled 200 KOR yards on 5 attempts. Starting at OS for the first time, Jones had 8 catches for 176 yards and 3 TDs at Las Vegas on Mar. 17. For the season he is averaging 20.6 yards per catch and 26.4 yards per KO return. Jones is questionable for Sunday's game due to an ankle sprain sustained last week against Los Angeles.
