2006 RATTLERS: After starting the season with a franchise-worst three losses, Arizona now finds themselves at the top of the Western Division after winning five of their last six, including four straight. This week, the newly charged Rattlers aim for their fifth consecutive win when they take on the San Jose SaberCats, who beat them in their first meeting in Phoenix. Head Coach **Gene Nudo**, who is on the sidelines this season for the first time since 1995 when he was an assistant, looks to get his team two games above .500. QB **Sherdrick Bonner** has stayed healthy since returning from a shoulder injury, throwing for 1,998 yards and 42 TD's in his last eight games. Bonner, who threw his 700th career TD in last weeks victory, is one win shy of 100 career victories. WR/LB **Randy Gatewood** has recorded touchdown receptions in seven games including five in last weeks win. The "Ironman of the Year" candidate has also leads the team in interceptions (3) and tackles (40). OS **Damien Groce**, who is the team's top receiver, returns to the lineup as after missing two games with a shoulder injury. Other key offensive weapons include WR/LB **Cosmo DeMatteo**, who has caught 35 passes in the last six games, and WR/DB **Curtis Fagan**, who has had TD receptions in each of the last three wins. Defensively, the team has relied on DS **Erin Damond** and DS **Joe Todd** in the backfield and linemen **Kelvin Ingram** and **Wendall Gaines**, who have six of the teams nine sacks, up front. Rookie WR/DB **Talib Wise** is an emerging star that has caught 14 passes while tallying 21.5 tackles this year.

THE SERIES: The Rattlers will meet their division rival for the 28th time. Only Orlando and Tampa Bay have met more often. Arizona holds a 13-10 regular season advantage, with a 7-6 record at San Jose. The SaberCats hold a 3-1 postseason advantage. Two of the four Rattler playoff losses to the SaberCats were in ArenaBowls (2002, 2004).

Last season, the teams split with each team winning at home. The last time a team swept the regular season series was in 2004 when the Rattlers took both regular season battles but lost to San Jose in the championship.

RATTLER HEAD COACH: **Gene Nudo** enters his first season as head coach to become the third head coach in franchise history. Nudo joined the Rattlers coaching staff in 1995 as an assistant head coach before becoming a part of the team's front office in 1996. A true pioneer in the AFL, Nudo coached the first-ever Arena Football games in Rockford, Ill. (1986) as well as its "Showcase Game" in Rosemont, Ill. (1987). He would later serve as the Director of Player Personnel and assistant coach for the Chicago Bruisers (1987-88), helping guide them to a berth in ArenaBowl II.

THIS WEEK'S QUOTES:

Rattler head coach Gene Nudo on last week's win against Los Angeles: "It was an encouraging victory, but I still think there are a lot of areas that we can improve upon. I was happy to see our guys play with a no-quit attitude and that there were able to come out re-charged and focused in the second half. There were numerous players that stepped up for us and had a great game."

Nudo on San Jose: "They are fighting for consistency just like we have been. A major reason for some of their problems has been because they have been playing with so many new people. We know their record is not a direct reflection of their team, especially since they beat us earlier in the year by eight points. They have a lot of talented guys that are just starting to get on the same page."

Nudo on what to focus on this week: "This game is no bigger than the last four games that we have won. We just need to continue to prepare one game at a time and not look ahead. Even though we have been winning, we still need to address areas where we have been weak. We need to improve our kick coverage and our running game, especially in goalline situations."

13 = 8 = GREAT: Arizona quarterback **Sherdrick Bonner** is one of the league's best all-time field generals, as he was honored as eighth-greatest on the league's top 20 of all-time. In addition to owning every Rattler passing record, he is steadily working his way up the league charts. Currently, Bonner ranks in the top four in four different all-time passing stats with 35,085 passing yards (No. 4 on the AFL career chart), 702 touchdowns (No. 4), 4,534 pass attempts (No. 3), and 2,777 completions (No. 4). SCORING MACHINE: WR/DB **Randy Gatewood** scored a touchdown in 13 of his 16 games last season. He has scored touchdowns in seven of nine games this season and has a total of 181 touchdowns in his career as a Rattler.

PLAYERS TO WATCH THIS WEEK:

San Jose WR/LB Ben Nelson: In just five games, Nelson has broke out as San Jose's top offensive threat, catching 40 passes for 542 yards and eight touchdowns. In his last three games, he has hauled in 33 catches for 465 yards and seven touchdowns. With those kinds of numbers, the emerging star could become a strong candidate for "Rookie of the Year". This week, Nelson could pose the biggest challenge for a Ratters secondary that has shut down big name receivers in recent weeks.

Arizona OL/DL Wendall Gaines: Gaines, who came off the injured reserve list last week, made an impact in a major way by applying constant pressure on L.A.'s quarterback and recording two sacks in the fourth quarter. On his final sack, he stripped the ball away to seal Arizona's victory. Offensively, the Ratters may look to Gaines, especially in redzone situations, as they have struggled to get the ball into the endzone from short yardage. San Jose's front line will face a big challenge trying to keep Gaines, who is sixth in the league in sacks with four, away from their quarterback.

LAST GAME:

RATTLERS OUTLAST AVENGERS, 58-45

Phoenix, Ariz. (March 24, 2006) – Guided by new Ratters in the past weeks, it was the old Ratters that stepped up and extended Arizona's winning streak to four during a 58-45 victory over the Los Angeles Avengers in front of 10,075 at US Airways Center.

Going into the contest, Rattler quarterback **Sherdrick Bonner** needed five touchdowns to become the fourth quarterback in AFL history to throw for 700. Bonner responded by taking "Offensive Player of the Game" honors with seven touchdowns passes, including five to **Randy Gatewood**, who was named "Ironman of the Game."

"I am fortunate to have a guy like Randy around to help me achieve this milestone," said Bonner. "More importantly, we got the win. This was a real testament to what happens when we play as a team."

The win gives Arizona (5-4) a two-game lead in the Western Division and puts them above .500 for the first time this season.

"We pulled it together after a rough first half," head coach Gene Nudo said. "Our guys really took things into their own hands tonight."

The Ratters struck first when Bonner, who was under intense pressure from Avenger lineman Silas Demary, scrambled out of the pocket and dropped a 24-yard lob pass to wide receiver/defensive back **Curtis Fagan**, who was able to keep both feet inbounds. The catch gave Arizona an early 7-0 lead.

Faced with a third-and-long on their first drive, the Avengers' opening series was capped by a two-yard touchdown run by fullback/linebacker Lonnie Ford to tie the game at seven.

The Ratters were held to a field goal on the next possession when Los Angeles return man Antoine Burns took the ensuing kickoff back 52 yards to give the Avengers the lead back, 14-10, with 1:45 left in the first quarter.

After forcing Arizona to attempt a 43-yard field goal that sailed wide right on the next series, the Avengers overcame two more third-and-longs on the ensuing drive to set up a 16-yard touchdown pass from Cumbie to wide receiver/defensive back Kevin Ingram to give them an 11-point lead, 21-10. Rattler defensive specialist **Joe Todd** nearly intercepted a Cumbie pass two plays before the score.

Wide receiver/defensive back Randy Gatewood caught touchdowns on the next two Arizona possessions. The first was a two-yard reception and the second was an eight-yard score to cut the Avenger lead to 28-24 with under a minute to go in the half

Ingram caught his second touchdown, which appeared to be the final points of the half with four seconds left to give L.A. a 34-24 lead, but Gatewood appeared to score

his third-straight touchdown of the half when he caught a dump pass from Bonner, running it in from 49 yards out as time expired.

Emotions were high after the play was negated by a holding penalty on offensive/defensive lineman **Wendall Gaines**, giving Los Angeles a 10-point halftime lead.

The Rattlers went into the second half without offensive specialist **Darrell Jones**, who was lost with an ankle injury.

The half opened with two consecutive stops, as Arizona forced the Avengers into a four-and-out to take over at the L.A. one-yard line on the first series, but Ingram intercepted Bonner on a fourth-and-goal in the endzone to give Los Angeles possession back.

Los Angeles kicker Remy Hamilton broke the nine-and-a-half-minute third quarter scoring drought when he nailed a 17-yard field goal to give the Avengers their biggest lead, 38-24.

The Rattlers scored two consecutive touchdowns before the quarter ended. The first was a 24-yard strike from Bonner to wide receiver/line backer **Cosmo DeMatteo**. The Rattler defense forced their first turnover of the game when offensive/defensive lineman **Zach Rupp** sacked Cumbie in the endzone while stripping the ball loose. Offensive/defensive lineman **Kelvin Ingram** recovered the ball to tie the game at 38.

Arizona's defense recorded another stop when Hamilton missed a 38-yard attempt, giving them a chance to take the lead with 12:28 left.

Two plays later, Bonner tallied the 700th touchdown pass of his career, a 35-yard strike to Gatewood that gave the Rattlers their first lead since the first quarter, 45-38, with 11:02 remaining in the game.

Arizona never relinquished the lead while extending it to 14, 52-38, when Bonner hooked up with Gatewood for the fourth time after another defensive stop.

The Avengers scored their first touchdown of the half when Cumbie hit Burns from seven yards out to cut the Rattler lead to 52-45 with 3:35 left, but Bonner hooked up with Gatewood for a fifth time after Travis Cole recovered an onside kick. Kral missed the extra-point attempt to keep it at 58-45 with less than two minutes left.

"It was great to come out and make some big plays," said Gatewood. "We just need to keep this positive momentum going."

DeMatteo recovered a fumble after Gaines sacked Cumbie for a second time to seal the Rattler victory.

Defensive specialist Joe Todd earned "Defensive Player of the Game" honors with six and half tackles and seven pass breakups. Bonner finished 16-of-29 for 236 yards while Gatewood was the leading receiver with seven catches for 112 yards.

LAST MEETING WITH SAN JOSE

RATTLERS LOSE THIRD STRAIGHT, 58-50

Phoenix, Ariz. (Feb. 12, 2006) -- For the third-consecutive week the Arizona Rattlers (0-3) went down in defeat, but unlike their past two battles, their defense was the weak link as they were unable to record a stop through the first three quarters in a 58-50 loss to the San Jose SaberCats (1-2) in front of 8,315 at US Airways Center.

The 0-3 start is the worst in Arizona franchise history while San Jose's win puts them in a four-way tie for the division lead as Las Vegas, Los Angeles and Utah are all at 1-2 after losses this week.

"I look at our team and we have some blood under our nails," said Rattler head coach **Gene Nudo**. "We are still out there fighting."

The story of the Rattlers' young season could be summed up by the first play of the fourth quarter.

On a fourth-and-three at midfield while facing a 16-point deficit, quarterback **Sherdrick Bonner** threw for offensive specialist **Damien Groce**, who was wide open in the endzone after burning by his defender. As Groce extended for the apparent touchdown, the ball went through his hands.

"I shouldn't have dropped that ball," Groce said. "I don't usually do things like that."

San Jose capitalized on the stop, converting their ninth-straight offensive score, a 24-yard touchdown strike to Calvin Schexnayder that helped put San Jose up, 58-35 with 13 minutes left.

It was San Jose's final points, but enough to seal the deal.

Arizona made an effort to get back in the game with two consecutive touchdowns, but an onside kick attempt was knocked out of bounds with 28 seconds left, to make the final 58-50.

Bonner, who returned after missing a week with a sprained shoulder, had a solid performance, connecting on 24-of-36 passes for 339 yards and five touchdowns.

The Rattlers struck first in the contest, opening with a Bo Kelly one-yard touchdown run, to take a 7-0 lead three minutes into the first quarter.

After a Schexnayder four-yard touchdown grab tied it at seven, the Rattlers committed a costly turnover - a Steve Warren fumble inside SaberCat territory before the end of the first quarter.

The Rattlers scored touchdowns on their next two possessions, but the SaberCats responded with three-consecutive scoring drives of their own, which were all capped by touchdown runs.

The two teams traded touchdowns in the final minute to give San Jose a 34-28 halftime lead.

The SaberCats opened the second half with their fourth rushing touchdown, a six-yard scamper by Phil Glover, extending their lead to 13.

After an interception by San Jose wide receiver/defensive back Charles Pauly on the Rattlers' first second half possession, Glover ran another one in, this time from two yards to cap a 28-7 scoring run and give the SaberCats a 48-28 lead.

It was the ninth rushing touchdown given up in two games by the Rattlers at US Airways Center.

The Rattlers wide receiver/defensive back **Jeremiah Pope** caught a 12-yard touchdown to cut it to 35-48 with 2:31 left in the third, but the next offensive series ended with the Groce drop on fourth down.

The teams traded touchdowns down the stretch while the Rattlers defense recorded their first stop in the final minute after San Jose missed a 29-yard field goal attempt.

Shexnayder earned "Offensive Player of the Game" honors with nine catches for 147 yards and two touchdowns while Pauly was named "Ironman of the Game".

SaberCat defensive specialist Clevan Thomas earned "Defensive Player of the Game" honors with eight tackles.

GATEWOOD NAMED "IRONMAN OF THE WEEK" FOR THIRD TIME

Phoenix, Ariz. (March 28, 2006) – Rattler wide receiver/defensive back Randy Gatewood has been named "Ironman of the Week" for the third time in four weeks, the Arena Football League announced today.

Gatewood (6-0, 185 pounds), who is in his 11th season in the AFL, helped carry the Rattlers offense in their 58-45 win over the Los Angeles Avengers on Friday night. Offensively, he caught seven passes for 112 yards and five touchdowns. He also tallied three tackles on defense.

The 2003 "Ironman of the Year" has 39 catches for 507 yards and 12 touchdowns this season. Defensively, he leads the team in tackles (40) and interceptions (3).

This marks the fourth time this year that the Rattlers have had an AFL weekly award winner. In addition to Gatewood winning the same honor back-to-back in Weeks 6 and 7, offensive specialist Damien Groce was named "Offensive Player of the Week" in Week 4.
